WORK EXPERIENCE

Senior Accountant -Financial Reporting & Compliance

Sep 2024 – Present

Darj Company Ltd. | Al Khobar, Saudi Arabia

- Financial Accounting & Close:** Led month-end and year-end close across multi-entity operations -journal entries, accruals, and account reconciliations -consistently delivering complete, audit-ready financial statements on schedule.
- AP & Vendor Cost Control:** Managed full-cycle accounts payable for a high-volume, multi-entity supplier base, directing three-way matching (PO, GRN, invoice) and GL/cost-centre coding review to resolve discrepancies and strengthen vendor cost accuracy.
- ZATCA & VAT Compliance:** Validated supplier tax invoices against ZATCA e-invoicing (Fatoora) and VAT format requirements -including Arabic-language fields, VAT registration numbers, and QR codes -and coordinated accurate, timely VAT filings.
- Payments, Banking & Working Capital:** Directed local and multi-currency payment runs through Saudi bank portals, maintaining strict segregation of duties and independent verification of supplier bank-detail changes.
- Tax & Statutory Support:** Supported withholding-tax (WHT) deduction on cross-border payments and prepared audit-ready documentation for Zakat/Corporate Income Tax and ZATCA filings.
- Payroll & Statutory Reporting:** Coordinated data preparation for GOSI, Qiwa, and Mudad submissions and reconciliations, including WPS payroll compliance, in close partnership with HR.
- Budgeting & Management Reporting:** Monitored budget-to-actual performance and conducted variance analysis on invoices, payments, and vendor costs, delivering monthly management reports that gave finance leadership visibility into expense trends.
- Internal Controls & Audit Readiness:** Maintained internal controls and anti-bribery/anti-corruption standards across invoices, contracts, and payments, supporting external audits with detailed schedules and documentation.
- Business Partnering:** Served as finance point of contact for operations, procurement, and HR on payment, vendor, and payroll queries, and partnered with banks and external auditors on audit-ready documentation.

Senior Accountant -AP, AR & Cost Control

Jun 2020 – Aug 2024

Laviviane (The Luxury Cake Address Trading Company) | Al Khobar, Saudi Arabia

- AP, Cost Allocation & Vendor Cost Management:** Directed end-to-end accounts payable across multiple business units, allocating costs accurately by unit and performing supplier statement reconciliations that supported vendor cost analysis.

- **Procurement Cost Review & Supplier Onboarding:** Reviewed procurement pricing and onboarded new suppliers with required Commercial Registration (CR), VAT certificate, and KYC documentation, coordinating import/customs paperwork with logistics and procurement.
- **Banking, Reconciliation & Expense Analysis:** Performed bank reconciliations and financial transaction reviews to eliminate discrepancies, supporting clean monthly AP cut-off, accrual schedules, and expense analysis.
- **Credit Control & Working Capital:** Implemented improved credit-control procedures, reduced receivable ageing by 30%, and materially improved cash flow, collection efficiency, and working-capital planning.
- **Finance Administration & Reporting:** Managed expense claims, petty cash, and bilingual (Arabic/English) document control, delivering monthly close and management reporting -including business-unit performance visibility -to senior leadership.
- **AP/AR Operations & Process Improvement:** Managed full-cycle AP/AR operations across multiple clients -accurate invoice processing and timely collections -reducing processing time by 20% through workflow automation initiatives.
- **AR Aging & Collections:** Conducted AR aging analysis and implemented collection strategies that improved cash recovery; supported month-end close processes including reconciliations and journal entries.
- **Audit Support:** Partnered with internal and external auditors on comprehensive reconciliations, supporting schedules, and audit-ready financial documentation across audit cycles.

KEY ACHIEVEMENTS

- AAA UK Prizewinner (Dec 2025, KSA) -highest mark in Saudi Arabia in ACCA Advanced Audit & Assurance.
- Reduced Accounts Receivable ageing by 30% through improved credit-control procedures and a proactive collections strategy, directly strengthening working capital.
- Maintained full ZATCA e-invoicing (Fatoora) and VAT compliance across all supplier invoice processing, with zero compliance findings during external audits.
- Strengthened three-way matching, reconciliation, and month-end AP close processes, improving accuracy and audit readiness across multi-entity operations.
- Supported successful completion of multiple external audits while maintaining full ZATCA, Zakat/CIT, and IFRS regulatory compliance.
- Improved AP and finance-operations efficiency through ERP optimisation (Oracle NetSuite & Odoo) and Saudi bank payment-portal workflows.
